

DRINKS

FRESHLY GROUND COFFEE

Our coffee is a medium-dark roast blend of Arabica beans from Costa Rica and Brazil. It is a rich bodied espresso with an initial cocoa flavour combined with sweet, lemony overtones.

Great coffee is as individual as you! *The majority of people love our coffee just as it is, but if you like yours stronger or weaker, with skimmed or soya milk, please don't hesitate to ask.*

	<i>Regular</i>	<i>Large</i>
